Dear Lauren Hewett

## **TrackMark Award**

Following your recent submission of units 1/2/3/4/5 and 6 TrackMark, UK Athletics is delighted to confirm that you have successfully achieved compliance in all six of these units.

This is a fantastic achievement, and we would like to congratulate you and your colleagues for the hard efforts that you have put in to ensure that your facility meets UKA minimum standards.

Your TrackMark certificate is attached - please print and display this in a prominent position at the facility. Also attached is a digital copy of the TrackMark logo which we would encourage you to use on all venue literature and websites to demonstrate to all users of your facility that you have met the minimum standards required by the governing body of the sport in the UK.

To further promote your achievement in 2021, UK Athletics will launch a new online track directory and all venues that have achieved TrackMark status will be given a primary listing on the new directory - a fantastic promotional tool and well-deserved recognition for you and your facility.
